

System 1437-96

“Quick Set-Up” Storage Rack

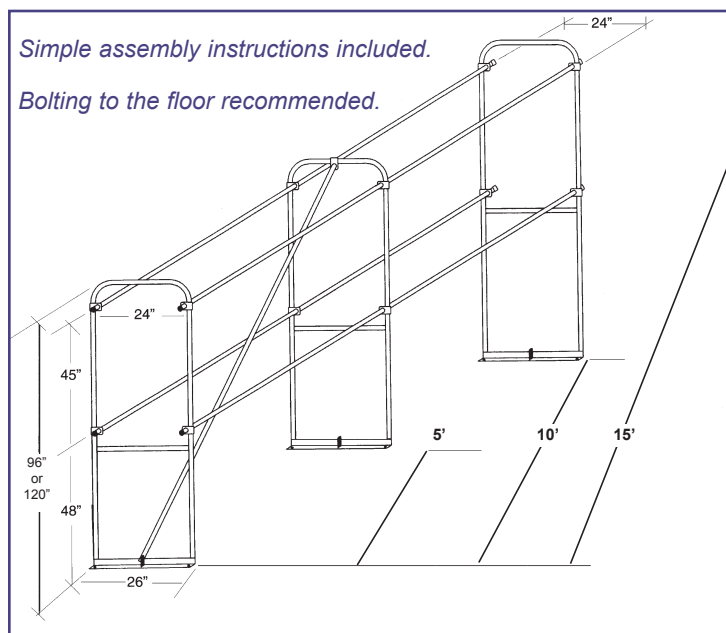

FOR GARMENTS, UNIFORMS AND LOCKER BAGS

FEATURES INCLUDE:

- ❖ *Heavy Duty Construction*
- ❖ *Adjustable Rail Height*
- ❖ *Quick Set Up & Easy Assembly*
- ❖ *Expandable Modular Design*
- ❖ *Bright Zinc Plated Finish*

THE RAILEX SYSTEM 1437 is a heavy duty two-tier garment storage system designed for simple on-site assembly.

- ❖ It is a free-standing unit intended to give a “high tech” look to any facility.
- ❖ It is sturdy enough for furs, leather coats and locker bag storage.
- ❖ The racks are stocked in 5', 10', 15' lengths but can be shortened to meet individual needs.
- ❖ The hanger bar height is adjustable. Their modular design allows for easy change in layout.
- ❖ Also available higher units to 120" high
