PALLET RACK HANGING SOLUTIONS FOR GOH

1.1 - Pallet Rack Quick Connect Speed Rail Set

- This Quick Connect Speed Rail Set lets you install speed rail quickly and easily into any "Teardrop" standard Pallet Rack.
- Available in KT and LT Speed Rails. The LT Tube version is incredibly rugged. Supports up to 800 LBS with minimal deflection.
- Kit comes with left and right QC Nipples. LT/KT tubing is formed for greater strength over an 8ft span. Self-tapping fasteners secure the tubing in place.
